Implementing Your Adult Personalized Plan

Thank you for choosing EquiLife - It's a pleasure to serve you!

If this is your first time running a Functional Medicine at-home lab test, I know it can seem like we covered a lot. So to make ordering easy, **I have direct linked all of the products on the label above that you will need to get started.**

In addition, if you'd like to order a supplement container to keep things organized using the supplement label above, these are the products we recommend which can be ordered through the links I have provided below. Your supplement label can be printed and cut out to easily fit inside the container as well!

Supplement container
